

FEATURES:

- Protection against vandalism or accidental damage for notification appliances
- Constructed of 16 gauge cold rolled steel
- Painted grey for use as is, or ready for repainting
- 1/4" (6.4 mm) square holes on 3/8" (9.5 mm) centres

DESCRIPTION:

The 826 yard hold is ideal for outdoor use in areas that require protection for notification appliances. The 16 gauge steel provides a sturdy housing, protecting the notification appliance from accidental damage or vandalism.
